

Dear Sponsor,

Gilbert American Little League is getting ready to begin our spring 2019 season. Our Opening Night is Friday, March 1st at Crossroads Park and we would love your support! We have over 550 registered players ranging from ages 4 to 14. We will be kicking off the spring season with a family night out at the baseball fields! We are expecting over 800 people to attend the opening ceremony where Baxter from the Diamondbacks will throw out the first pitch. We will have scrimmages, games, food trucks, dessert trucks, a silent auction and raffle baskets.

Participating in Little League provides young boys from the Gilbert area the opportunity to develop athletic ability, which can improve their confidence and self-esteem. Youths involved in sports and extra-curricular activities have the potential to become successful students and tomorrow's business and community leaders.

The league is reaching out to the community and looking for donations for the silent auction and raffle baskets we will be having on Opening Night. We would be very grateful for a gift card or a gift certificate to be raffled off or items we could create a raffle basket with. **Your donation is tax deductible because we are a 501c3 organization! Our Tax ID number is listed below.**

Thank you again for your contribution to our Opening Night. Your support is not something we take lightly and is very much appreciated by everyone connected to Gilbert American Little League.

Sincerely,
The Parents, Coaches, and Players of Gilbert American Little League
